INMATE 94

To: AW Operations
Inmate Work Assignment: none

We have had the same clothing since returning from Otisville over 3 weeks ago. There has been no exchange of underwear, socks, or greens as of today. I have attempted to order socks, underwear, sweatpants/shirts on commissary numerous times and the order was not filled. I was told only food items were being filled, due to the revised spending limit. I prefer to have the clothing items filled rather than the food items, or a combination of both. Corrective action needs to be taken. it is unhygienic to have to wear the same clothes for a month.
